<b>ADHESIVES AND LIQUID GASKETS</b>	<b>7-7</b>

## PAINTS, OILS, AND CHEMICALS

### AEROSOL TOUCH-UP PAINTS

You get two (2) cans of paint per Honda code/part number.

Power Equipment Paints: Order from <b>Parts Division</b>			
color name	color code	application	part number
Bright Red	R8	engines (fan covers, recoil starters, etc.) generators, tillers, snowblowers, HRC7000-series attachments, most attachments for lawn, utility and compact tractors. HA4100 lawn tractor	08707-R8
Diana Red	R136	HT and HTR-series riding equipment, RT5000 tractor	08707-R136
Jolly Red	R165	H2000, H3000, H4000, H5000, H6000 series riding equipment	08707-R165
McKinley White	NH31	fuel tanks	08707-NH31
Matte Black	NH105	semi-gloss applications	08707-NH105
Black	NH1	full-gloss applications	08707-NH1
Gently Silver Metallic	NH192M	HR195, HR215K0, HRA215, HR216, HRM21 lawnmowers	08707-NH192M
TUP Pearl Silver Metallic	NHB02M	HRR216K3/K4VXA lawnmowers <b>NEW</b>	08707-NHB02M
Vintage Grey Metallic	NH190M	dark gray mower decks: riding equipment: HT-R3009K1, HT-R3811, HT3810K2, HT3813K1, HT4213, MM46 (for the RT5000 tractor) lawnmowers HRA216, HRC215/216K0, K1, HR215K1, HRS216, HRR216, HRT216, HRM195 7000-series commercial mowers: CD7036K0/K1, CD7048K0/K1, CD7052, CD7060, CD7136, CD7148	08707-NH190M
Cloud Silver Metallic	NH35M	H1000, H2000, H3000, H4000, H5000, H6000-series riding equipment mower decks lawnmowers, HR194, HR/HRA214, HRS21 (with light silver mower deck), HT-R3009K0, HT3813K0 and HT381K0/K1 mower decks	08707-NH35M
Loosey Gray	NH246	HRM/HRB lawnmower handle pipe(s)	08707-NH246
Neptune Blue	PB109	EX5500 & EB12D generator, older outboards	08707-PB109
POWER RED	R280	Power Equipment	08707-R280

### ESSENTIAL FLUIDS

#### ***Hydrostatic Fluid (HST Oil)***

Designed specifically for Honda hydrostatic transmissions. Provides maximum transfer of power; maximum efficiency. Pour point exceeds -50 °C. Resealable one-quart bottles. Note that some Honda hydrostatic transmissions do not use this fluid. Always refer to the shop manual for the correct fluid specification.

Order from <b>Parts Division</b>		
description	part number	multiple
Hydrostatic Fluid	08208-HST01	2

#### ***Hypoid Gear Oil***

Provides protection against wear, scuffing and corrosion, even under heavy loads. SAE 80W-90, API service classification GL-5. Available in 8 fluid ounce bottles. ***Not for marine use.***

Order from <b>Parts Division</b>		
description	part number	multiple
Hypoid Gear Oil	08208-0080	12

#### ***Fuel Stabilizer***

Genuine Sta-Bil formula prevents gasoline-related problems during periods of extended winter storage. Prevents rust, freezing or gelling of fuel. Keeps jets and float bowls free of gummy residues. Equipment stays “ready-to-use”. Available in 8 oz. long neck bottle & 32 oz. measure pour bottle.

Order from <b>Parts Division</b>		
description	part number	multiple
Fuel Stabilizer (8 oz, bottle)	08732-0001	12
Fuel Stabilizer (32 oz. bottle)	08732-0033	12

#### ***Power Steering Fluid***

Unique Honda formula designed to give top performance and protection. For use with RT5000, H5013, H5518 hydraulics and the steering system of the H6522. Available in 12 fluid ounce bottles.

Order from <b>Parts Division</b>		
description	part number	multiple
Power Steering Fluid	08206-9002PE	12

#### ***Antifreeze/HP Coolant***

Special blend provides protection against rust and corrosion of all cooling system components. For use in all liquid-cooled Honda Power Equipment. Safe for aluminum components. Requires no further additives. Ready to use, premixed. Convenient 50/50 blend. Uses deionized water. Available in 1 quart bottles.

Order from <b>Parts Division</b>		
description	part number	multiple
HP Coolant	08C50-C321S01	12

5W – 30 Engine Oil	55 Gal. <sup>(1)</sup>	08208-5W30
10W – 30 Engine Oil	55 Gal. <sup>(1)</sup>	08208-10W30
30W Engine Oil	55 Gal. <sup>(1)</sup>	08208-30
10W-30 FC-W	55 Gal. <sup>(1)</sup>	08208-10W30MFC-W

(1) Dealers are responsible for complying with local regulations for disposal of oil drums

## **SERVICE AND MAINTENANCE**

### ***Carburetor Cleaner (Non-Chlorinated) 50 State Legal***

100% free of chlorinated solvents. *Sately* removes gum, varnish & deposits from carburetor components. Available in 15-ounce aerosol can. ***Specially formulated for use in California***

Order from <b>Parts Division</b>		
description	part number	multiple
Carburetor Cleaner (Non-Chlorinated)	08732-CC000	12

### ***Contact/Brake Cleaner \* (Low VOC, Non-Chlorinate)***

Cleans grease and oils from electrical components and brake systems. New formula dries fast and leaves no residue. Won't harm most plastic, rubber or painted surfaces. Contains no chlorinated solvents or CFCs. Available in 15-ounce aerosol can. ***\*Not for sale or use in California***

Order from <b>Parts Division</b>		
description	part number	multiple
Contact/Brake Cleaner	08732-CBL49	12

---

## PAINTS, OILS, AND CHEMICALS

---

### **Contact/Brake Cleaner (Ultra-Low VOC/So Calif.)**

Cleans grease and oils from electrical components and brake systems. New formula dries fast and leaves no residue. Won't harm most plastic, rubber or painted surfaces. Meets **SCAQMD Rule 1171** requirements for unlimited use. Available in 15-ounce aerosol can.

Order from <b>Parts Division</b>		
description	part number	multiple
Contact/Brake Cleaner	08732-CBCCA	12

### **White Lithium Grease**

Heavy-duty general-purpose lubricant sets up quickly. Displaces moisture and protects against rust and corrosion. Recommended for use on cables, hinges, joints, linkage, etc. Available in 12-ounce aerosol can.

Order from <b>Parts Division</b>		
description	part number	multiple
White Lithium Grease	08732-WLG00	12

### **Hondalube/Rust Penetrant**

Penetrating lubricant loosens rusted components. Displaces moisture and protects against rust and corrosion. Low VOC formula meets current CARB and OTC standards (contains no chlorinated solvents or CFCs). Available in 12-ounce aerosol can.

Order from <b>Parts Division</b>		
description	part number	multiple
Hondalube/Rust Penetrant	08732-RP000	12

### **Anti Seize**

Protects against rust and corrosion caused by chemicals. Provides excellent protection over a long period of time for threaded fittings. Prevents metal parts from seizing (waterproof). Available in 8-ounce can.

Order from <b>Parts Division</b>		
description	part number	multiple
Anti Seize	08732-AS000	12

### **Silicone Spray**

Eliminates squeaks and sticking while lubricating and protecting. Protects, preserves and waterproofs fabrics, leathers and rubber. Available in 12-ounce aerosol can.

Order from <b>Parts Division</b>		
description	part number	multiple
Silicone Spray	08732-SS000	12

### **Spray Cleaner and Polish**

Superior performance and economy. Cleans, polishes and protects paint, plastic, glass, vinyl and rubber. Repels water, blocks UV rays, reduces dust buildup. Low VOC formula meets or exceeds current CARB and OTC standards. Available in 12-ounce aerosol can.

Order from <b>Parts Division</b>		
description	part number	multiple
Spray Cleaner and Polish	08732-SCP00	12

---

## PAINTS, OILS, AND CHEMICALS

---

### ***Marine Corrosion Inhibitor – NEW***

Professional strength corrosion inhibitor and lubricant formulated specifically for marine use to prevent corrosion on metal components exposed to fresh or salt water. Leaves no waxy buildup and does not include silicone. Ideal for use on exterior engine parts during long term storage.

Order from <b>Parts Division</b>		
description	part number	multiple
Marine Corrosion Inhibitor	08732-1100	12

### ***ASSEMBLY AND REPAIR***

#### ***Hondalock 1***

Low strength threadlock for frequently removed/low torque fasteners. Carded 10cc bottle.

Order from <b>Parts Division</b>		
description	part number	multiple
Hondalock 1	08713-0001	6

#### ***Hondalock 2***

Medium strength threadlock for medium-torque fasteners. Carded 10cc bottle.

Order from <b>Parts Division</b>		
description	part number	multiple
Hondalock 2	08713-0002	6

#### ***Hondalock 2HT***

High temperature threadlock for medium-torque fasteners in high-heat applications (exhaust studs). Carded 10cc bottle.

Order from <b>Parts Division</b>		
description	part number	multiple
Hondalock 2HT	08713-0004	6

#### ***Hondalock 3***

High-strength threadlock for high-torque fasteners or semi-permanent applications. Carded 10cc bottle.

Order from <b>Parts Division</b>		
description	part number	multiple
Hondalock 3	08713-0003	6

#### ***Dielectric Grease***

Nonconductive waterproofing compound. Insulates electrical connections. Adheres to most surfaces. Seals out moisture, dirt and corrosion. Carded 5-ounce tube.

Order from <b>Parts Division</b>		
description	part number	multiple
Dielectric Grease	08798-0001	6

---

## PAINTS, OILS, AND CHEMICALS

---

### ***Moly 60 Paste***

60% Moly grease formula. Contents are solid and will not separate at room temperature. Recommended for bearings, gears and other high-pressure/ high-temperature applications. Use where Moly 45 is suggested. Carded 3-ounce tube.

Order from <b>Parts Division</b>		
description	part number	multiple
Moly 60 Paste	08734-0001	1

## ***ADHESIVES & LIQUID GASKETS***

### ***Hondabond 4***

Semi-drying liquid gasket. Seals with a tough, elastic film, yet removes easily. Solvent-based formula resists gasoline. Carded 3.5 ounce tube.

Order from <b>Parts Division</b>		
description	part number	multiple
Hondabond 4	08717-0004	6

### ***Hondabond HT***

High-temperature silicone liquid gasket. Nonacidic, will not corrode aluminum. For use in areas not requiring solid gaskets. Carded 3.5 ounce tube.

Order from <b>Parts Division</b>		
description	part number	multiple
Hondabond HT	08718-0001	1

### ***Weatherstrip Cement***

A permanent waterproof adhesive that adheres to rubber, plastic, metal. Also works for vinyl repair. Carded 5-ounce tube.

Order from <b>Parts Division</b>		
description	part number	multiple
Weatherstrip Cement	08712-0002	6

### ***Handgrip Cement***

For use when installing all PVC-type grips on handles, levers etc. Carded 1-ounce tube.

Order from <b>Parts Division</b>		
description	part number	multiple
Handgrip Cement	08712-0001	6

### ***Hondabrite***

Genuine S-100 in a midsize package. Easy to use. Simply spray on and hose off. Sprayer comes on 20 fluid ounce bottle. Refill available in 32 fluid ounce bottle.

Order from <b>Parts Division</b>		
description	part number	multiple
Hondabrite (Sprayer)	08732-0020B	12
Hondabrite (Refill)	08732-0032	12
Hondabrite (Aerosol 18 oz.)	08732-0012	12
